

The Evangelical Free Church of America

Description:

Who We Are: The Evangelical Free Church of America is an association of some 1,500 autonomous and interdependent churches united by a mutual commitment to serve our Lord Jesus Christ under the guidance of the Holy Spirit and obedience to the Word of God. We are committed to cooperate with one another in ministry and fellowship as we seek to fulfill the Great Commission which Christ has entrusted to His Church. The growing ministry of the EFCA currently extends to some 50 countries of the world.

ReachNational Church Planting: ReachNational Church Planting is a network of nearly 1,500 Evangelical Free Churches and 18 regional districts committed to a common church planting mission.

We are planting approximately one church a week with an 87 percent success rate. We have close to 200 plants on their way to becoming affiliated EFCA churches.

ReachGlobal Church Planting: We exist to glorify God by multiplying healthy churches among all people.

Central ministry focus: developing, empowering and releasing healthy national workers to plant healthy, reproducing, indigenous, self-supporting, and interdependent churches.

Primary strategy: Advance the mission by partnering with church planting movement leaders and trainers for church multiplication.
